

LES HEY ENFANTS!

HENRY THE HAND®

4 PRINCIPES DE LA MAIN DE SENSIBILISATION

1

LAVEZ VOS MAINS QUAND ELLES SONT SALES ET AVANT DE MANGER.

Henry the Hand is shown washing a soap bubble with water from a faucet. The bubble is covered in foam. Henry is smiling and holding a yellow sponge with 'HAND' written on it.

2

NE TOUSSEZ PAS DANS VOS MAINS.

plutôt tousez ici

Henry the Hand is shown coughing into his elbow. A red circle with a slash over a hand icon indicates that coughing into the hand is wrong. A red arrow points to a red circle with a hand icon, indicating that coughing into the hand is the correct action.

3

N'ETERNUEZ PAS DANS VOS MAINS.

Achoo!

plutôt éternuez ici

Henry the Hand is shown sneezing into his elbow. A yellow starburst with 'Achoo!' is next to him. A red circle with a slash over a hand icon indicates that sneezing into the hand is wrong. A red arrow points to a red circle with a hand icon, indicating that sneezing into the hand is the correct action.

4

SURTOUT, NE METTEZ PAS LES MAINS DANS VOS YEUX, OU DANS LA BOUCHE.

Henry the Hand is shown with red 'X' marks over his eyes and mouth, indicating that touching these areas is wrong. He is standing next to two soap bubbles.
